The City of Oakdale invites you to bid on the following project:
South Avenue Paving Project (Project #26-006)

Location: South Ave, Oakdale CA 95361

(South Ave and South Yosemite, South Ave and South Sierra Ave)

Project Timeline:

Work to begin: October 12, 2026

Work to be completed: The project shall be completed within 30 working days from the start date.

Detailed Specifications:

South Avenue Paving Project – Scope of Work

The Contractor shall furnish all labor, materials, equipment, traffic control, and incidentals necessary to complete the South Avenue roadway improvements in accordance with City of Oakdale standards and specifications. See the attached South Avenue project map and City standards for additional project limits, details, and requirements.

The scope of work shall include:

- **Roadway Paving – Grind and Overlay:** Grind the existing roadway surface as necessary and furnish and place approximately **19,090 SF of 4-inch HMA pavement**, including surface preparation, proper

placement, compaction, joints, transitions, and finished grades in accordance with City of Oakdale standards.

- **Compaction Restrictions:** No vibratory compaction equipment shall be permitted due to the presence of existing transite pipe beneath the roadway. All compaction shall be performed using non-vibratory methods to prevent damage to the existing pipe.
- **Raise Valve Boxes & Manholes:** Adjust and raise seven (7) existing valve boxes and/or manholes to match the final pavement elevation.
- Protect existing utilities, curb, gutter, sidewalk, driveways, and other improvements that are to remain.
- Provide all necessary traffic control and maintain reasonable access to adjacent properties during construction.
- Remove and properly dispose of all demolition materials and construction debris.
- Upon completion, the roadway shall have a smooth and uniform finished surface with positive drainage and shall be completed to the satisfaction of the City of Oakdale.

Contractor Requirements: Contractors must possess a valid Class A – General Engineering Contractor license issued by the California Contractors State License Board.

Engineer's Estimate: No Engineer's Estimate is available for this project.

Mandatory Job Walk: None

Bids exceeding \$25,000 will require a Bid Bond of 10% of bid amount. A Payment Bond will be required after project award and before work begins. BIDS WILL NOT BE ACCEPTED WITHOUT BID BONDS.

COMPLIANCE MONITORING

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations, Office of the Labor Commissioner.

PUBLIC WORKS PROJECT AWARD NOTIFICATION

The PWC 100 form should be completed on-line by the Awarding Body (City of Oakdale). The completion and the submission of this form fulfills the required public works project notification to both the Division of Apprenticeship Standards (Labor Code sec 1773.3 (replacing former DAS 13 notification) and the Division of Labor Standards Enforcement Public Works Compliance Monitoring Unit {8 Cal. Code Reg. sec. 16451 (a)}

CONTRACTOR REGISTRATION

In compliance with SB 854, no contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. In addition, no contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

CERTIFIED PAYROLL

All contractors and subcontractors must furnish electronic certified payroll records directly to the Labor Commissioner (aka Division of Labor Standards Enforcement).

For all new projects awarded on or after April 1, 2015, the contractors and subcontractors must furnish electronic certified payroll records to the Labor Commissioner.

As of January 1, 2016, the requirement to furnish electronic certified payroll records to the Labor Commissioner will apply to all public works projects, whether new or ongoing.

These requirements apply to all public works that are subject to prevailing wage requirement of the Labor Code without regard to funding source.

DISPOSAL OF MATERIALS: Construction and demolition debris and other waste materials generated by the work shall be transported to and delivered to a facility or operation legally authorized to receive the specific material. Contractor shall comply with all applicable federal, state, and local requirements governing transportation, recycling, processing, and disposal. Upon request by the City, Contractor shall provide disposal, recycling, weight tickets, receipts, or other documentation sufficient to demonstrate lawful disposition of the material.

INSURANCE

\$2,000,000 General Liability and Automobile Liability Insurance will be required. Workers Compensation Insurance with limits of at least one million (\$1,000,000) will also be required along with a Waiver of Subrogation endorsement in favor of City, its officers, agents, employees, and volunteers. Certificates of insurance to be provided when bid is awarded.

Bids shall be received by Manuel Lopez via email at mlopez@oakdaleca.gov or hand delivered to 455 South 5th Avenue, Oakdale, CA 95361, up to no later than **2:00 p.m. on September 24, 2026**. No bids will be accepted after this time.

Please contact Manuel Lopez for additional information or questions regarding this project at (209) 845-3619.
