Body Found Identified as Missing Person

Oakdale Police investigators have been conducting an investigation into the whereabouts of 36-year-old Kevin Green from Oklahoma who went missing on Friday, April 8th. Merced County Coroner's office contacted Oakdale Police on Wednesday evening to inform them that they identified a body as that of Kevin Green. Green's brother arrived in Oakdale for the Oakdale Rodeo without Kevin and reported him missing. The day that Kevin's brother arrived in Oakdale, a man's body was found on Highway 99 and Bradbury Road, but was not positively identified as Kevin Green until yesterday. It appears that Green died after being involved in a traffic accident. It was reported to the police that Kevin Green was traveling in a trailer that was attached to a tow vehicle. Investigators have not been able to determine how Green got out of the trailer and onto the highway.
