September 21, 2026

The City of Oakdale invites you to bid on the following project:
Various Site New Pavement Installation Project (Project #26-007)

Location:

- Wastewater Treatment Plant (WWTP): 9700 Liberini Avenue, Oakdale, CA
 1. WWQF Entrance
 2. Modular Building Area
- Alley: Located between Gilbert Avenue and West Avenue, Oakdale, CA

Project Timeline:

Work to begin: October 26, 2026

Work to be completed: The project shall be completed within 30 calendar days from the start date.

Detailed Specifications:

Various Site New Pavement Installation Project – Scope of Work

The Contractor shall furnish all labor, materials, equipment, traffic control, and incidentals necessary to complete the Various Site New Pavement Installation Project roadway improvements in accordance with City of Oakdale standards and specifications. See the location maps below.

The scope of work shall include:

There are three (3) projects identified in various locations within the city. The project will be awarded to the lowest responsive bidder based on the overall bid. Please provide a separate quote for each project and a combined total for all three projects. Refer to each project's scope of work for the approximate square footage.

Alley Location:**Remove and Replace Pavement**

- Remove approximately 3,600 square feet of the existing 4-inch surface.
- Perform minor grading as needed.
- Grade the swale to direct drainage toward the new dry well.
- Place 4 inches of ½-inch hot-mix asphalt (HMA) over native soil.
-

Minor Surface Grading

- Grade approximately 2,600 square feet at the east end of the alley to direct drainage toward the new dry well.

Note: The City of Oakdale will install the dry well.

See the map and photos below for the project location and work areas.

Wastewater Treatment Plant (WWTP):**WWQF Entrance**

- **Remove and Grade:** approximately 13,700 square feet of the existing 4-inch asphalt surface at the entrance.
- Place 4 inches of hot-mix asphalt (HMA) over the prepared native surface.

See the map and photos below for the project location and work area.

Modular Building Area:

- **Grading and Asphalt Paving:** Grade and prepare the existing dirt surface, then furnish and place approximately 5,400 square feet of 4-inch-thick asphalt pavement around the modular building.

- Construct a swale along the east side of the modular building to direct drainage toward the north side of the site.

Contractor Requirements: Contractors must possess a valid and currently active Class A – General Engineering Contractor license issued by the California Contractors State License Board.

Engineer's Estimate: No Engineer's Estimate is available for this project.

Mandatory Job Walk:

A mandatory job walk will be held on September 25, 2026 at 9:00 a.m. Contractors must attend both locations:

- 9:00 a.m. – Wastewater Treatment Plant (WWTP): 9700 Liberini Avenue, Oakdale, CA
- 10:00 a.m. – Alley between Gilbert Avenue and West Avenue, Oakdale, CA

Bids exceeding \$25,000 will require a Bid Bond of 10% of bid amount. A Payment Bond will be required after project award and before work begins. BIDS WILL NOT BE ACCEPTED WITHOUT BID BONDS.

COMPLIANCE MONITORING

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations, Office of the Labor Commissioner.

PUBLIC WORKS PROJECT AWARD NOTIFICATION

The PWC 100 form should be completed on-line by the Awarding Body (City of Oakdale). The completion and the submission of this form fulfills the required public works project notification to both the Division of Apprenticeship Standards (Labor Code sec 1773.3 (replacing former DAS 13 notification) and the Division of Labor Standards Enforcement Public Works Compliance Monitoring Unit {8 Cal. Code Reg. sec. 16451 (a)}

CONTRACTOR REGISTRATION

In compliance with SB 854, no contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]. In addition, no contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

CERTIFIED PAYROLL

All contractors and subcontractors must furnish electronic certified payroll records directly to the Labor Commissioner (aka Division of Labor Standards Enforcement).

For all new projects awarded on or after April 1, 2015, the contractors and subcontractors must furnish electronic certified payroll records to the Labor Commissioner.

As of January 1, 2016, the requirement to furnish electronic certified payroll records to the Labor Commissioner will apply to all public works projects, whether new or ongoing.

These requirements apply to all public works that are subject to prevailing wage requirement of the Labor Code without regard to funding source.

DISPOSAL OF MATERIALS: Construction and demolition debris and other waste materials generated by the work shall be transported to and delivered to a facility or operation legally authorized to receive the specific material. Contractor shall comply with all applicable federal, state, and local requirements governing transportation, recycling, processing, and disposal. Upon request by the City, Contractor shall provide disposal, recycling, weight tickets, receipts, or other documentation sufficient to demonstrate lawful disposition of the material.

INSURANCE

\$2,000,000 General Liability and Automobile Liability Insurance will be required. Workers Compensation Insurance with limits of at least one million (\$1,000,000) will also be required along with a Waiver of Subrogation endorsement in favor of City, its officers, agents, employees, and volunteers. Certificates of insurance to be provided when bid is awarded.

Bids shall be received by Manuel Lopez via email at mlopez@oakdaleca.gov or hand delivered to 455 South 5th Avenue, Oakdale, CA 95361, up to no later than **2:00 p.m. on October 1, 2026**. No bids will be accepted after this time.

Please contact Manuel Lopez for additional information or questions regarding this project at (209) 845-3619.
