Good morning, I just wanted to say I think it's very sad that during this time of chaos with covid-19 that we are loosing our Mayor who has done so much for our community. During these trying times we needs consistent leadership and he has brought that to us. The matter of his new address being a couple blocks out of the technical City of Oakdale is not a reason for him to have to leave office. Please think of all the good things he has done for our City and show him the support he deserves. Thank you for your help in sharing this message as I'm unable to participate in the counsel meeting this evening.
Sincerely, Kim Talamantes
